SOLAR CAMERA
From pexcedi on 21.02.2021 08:36
Details
Headers
Plain text
Dear Sir or Madam,
We would like to introduce the latest producet Solar Camera. We also produce Metal CCTV camera housing.
Product Name: Solar Camera
Technical features:
1: 2 million high-definition image sensor, with a resolution of 1920 * 1080p
2: Support two-way voice intercom
3: Support cloud storage function, free one month cloud storage
4: Support solar charging, PIR human body induction video recording, built-in large capacity battery.
5: Aluminum alloy shell, supporting IP66 waterproof and dustproof
6. Suitable for outdoor places such as courtyard, construction site, farm, countryside, orchard, reservoir, etc
Two-Way audio
Flexible Two-Way Conversation with Your Family
Put the parcel at the door, thank you
