Nextcloud Hub
Nextcloud Hub
Welcome to Nextcloud Hub, your self-hosted collaboration platform.
Nextcloud Hub is the open source file share and collaboration software for everyone from individuals to large enterprises and service providers. Nextcloud provides a safe, secure and compliant online work environment on servers you control.
With Nextcloud Hub you can:
Sync and share and access all your files and documents from all your devices
View and share your photos and media files
Edit your documents with others, in real time
You can do all of this in the web interface, via your desktop, laptop or your Android and iOS devices.
Whether using a mobile device, a workstation, or a web client, Nextcloud provides the ability to put the right files in the right hands at the right time on any device in one simple-to-use, secure and private solution.
